

***Are you a quality driven individual?
Do you have a passion for perfection?***

If you answered 'Yes' to these questions, you could be just the individual we are looking for.

Undergraduate Bursary X 1

Bursary allowance R 90 000.00 per academic year

NMISA is offering an undergraduate bursary at a recognised South African University. Upon completion, the bursar will be required to work one year for every year of study sponsored by NMISA. Successful graduates will follow an exciting career at NMISA in the Science of Accurate Measurement (Metrology). NMISA is the custodian of the South Africa national measurement standards, thus you will be working closely with experts on the realisation of the International System (SI) of units in Physical Metrology.

A bursary is offered in the following field of study:

- BTech or BEng Technology in Mechanical/Mechatronic Engineering

Who can apply:

- Candidates who are in possession of a National Diploma and have successfully completed their P2 or are busy completing their P2 work integrated learning.
- Candidates who can demonstrate above average manual dexterity, use of hand tools and basic understanding of the operation and maintenance of basic mechanical systems
- Candidates must have the intention of studying further
- Applicants must be South African Citizens
- Students with above average academic performance and financially needy

The bursary includes:

The full costs of registration and tuition; residence fees and allowance for prescribed books and necessary requirements. The successful candidates will have an opportunity to gain work experience at NMISA during vacations.

How to apply:

NMISA subscribes to and applies the principles prescribed by the Employment Equity Act. Preference will be given to previously disadvantaged candidates who meet the requirements and who will add to the cultural and gender diversity of the organisation. The NMISA Human Capital Development programme, which this Undergraduate Opportunity forms part of, is focused on recruiting the following candidates in order of preference: Coloured, Indian, African & White.

Interested and suitably qualified persons may forward all supporting documentation required (updated CV, certified educational qualifications, certified academic record and certified ID.) when applying for the position email NMISA Human Resource at careers@nmisa.org Only candidates with all supporting documents will be considered for the position. Clearly indicate which position you are applying for

Closing date for applications: **20 October 2018**

Correspondence will be limited to short-listed candidates only.

By applying for this position at NMISA, the applicant understands, consents and agrees that NMISA may solicit a credit and criminal report from a registered credit bureau and/or the SAPS in relation to positions that require trust and honesty and/or entails the handling of cash or finances and may also verify the applicant's educational qualifications and employment history.

More information contact Human Resources telephone number (012) 841 4152 / 2254.
